Six points: Student Comprehensive Mutual Insurance and the insurance we recommend

学生総合共済とあわせておすすめする保険 6つのポイント

1	 Insurance cover for your student life in Japan by paying a modest premium 少ない掛金で安心できる留學生活の保障 Student Comprehensive Mutual Insurance 学生総合共済	500 yen per month	1ヵ月あたり 500 円
2	 With Student Comprehensive Mutual Insurance, you have peace of mind even for things which are not covered by National Health Insurance* 国民健康保険※では支払われない部分も学生総合共済で安心	Q Is it necessary to subscribe to Student Comprehensive Mutual Insurance and the insurance in addition to National Health Insurance? A Yes. In the event of sickness or an injury while studying in Japan, there may be cases where you have to pay for expensive medical care. In Japan, international students staying more than three months are required to subscribe National Health Insurance, just like Japanese citizens. In the case of medical care covered by National Health Insurance, 70% of medical expenses are paid by the Insurance and the remaining 30% of medical expenses are paid by the individual.	Q 国民健康保険以外に共済・保険に加入が必要なの？ A 留學生活で、病気になったりケガをした時、場合によっては高額な治療費を支払わなければならないこともあります。日本では3か月を超えて滞在する外国人留學生に日本人と同じ『国民健康保険』への加入を義務付けています。国民健康保険の対象となる治療の場合、医療費の70%が国民健康保険で支払われ、残りの30%が自己負担となります。
3	 24-hour, 365-day coverage whether you are in Japan, returning to your own country or traveling abroad 24時間365日、日本国内・帰国中、海外旅行中でも保障 Student Comprehensive Mutual Insurance 学生総合共済	Commuting or during lectures During part-time work During club activities Traffic accidents On trips home	During internships In Japan or traveling abroad While playing sports In an apartment for rent or dormitory 通学中・授業中 アルバイト中 クラブ・サークル 交通事故 帰国中 インターンシップ中 日本／海外旅行中 スポーツ中 アパート・寮
4	 Insurance needed for living alone in Japan 日本での一人暮らしに必要な保障 Personal Liability Insurance for Students 学生賠償責任保険 With Special clause for persons living alone (一人暮らし特約あり)	•This insurance covers household goods damaged by fire or water, etc. •This insurance covers your household goods or bicycle stolen from your room (including the residential premises). •This insurance also covers your legal liability from landlord for damage caused by fire or water.	・火災、水ぬれなどで家財が損壊したとき ・住宅(敷地を含む)内の家財や自転車が盗まれたとき ・火災や水もれ事故を起こし貸主(大家)さんから損害賠償を請求されたとき
5	 Procedures can be completed at the university co-op information desk ケガや病気をしたときの受付、給付申請手続きは大学生協窓口まで	Mutual insurance applications and inquiry Mutual insurance payment applications Reminders to avoid forgetting to apply for mutual insurance payments *Those subscribing via Inter-college Co-op are kindly requested to complete the procedures in the office or by phone.	共済加入の申込み・相談 共済金の給付申請手続き 共済金の給付申請忘れがないように呼びかけ ※インターカレッジコープでご加入された方は、インターカレッジコープの事務所またはお電話で手続きをお願いします。
6	 Illness and accident prevention activities 病気や事故にあわないための予防活動	Diet counseling, Health check plan, Health Festa, Bicycle/motorbike accident prevention activities, Anti-binge drinking, alcohol-related harassment prevention campaign These activities are implemented by each university co-op. For further details, please contact the university co-op at the university where you are enrolled.	食生活相談会・栄養相談・健康フェスタ 自転車事故防止活動・バイク事故防止活動 イッキ飲み防止キャンペーン・アルハラ防止キャンペーン これらの企画は各大学生協単位で行われております。詳しくはご自身の在学中の大学生協までお問い合わせください。

* National Health Insurance is insurance for when an individual becomes ill or is injured and does not cover compensation for damages claimed after having injured another person in an accident. (Source: Ministry of Health, Labour and Welfare)
※国民健康保険は自分が病気になったり、ケガをしたときの自分のための保険であり、事故等で他人に損害を与えてしまった場合の損害賠償に関しては補償されません。

●The “Policy Overview” section contains items that you should check when subscribing, and the “Matters that Require Particular Caution” section draws your attention to matters that may be disadvantageous to the insured, and to which you should be particularly careful. Please read these sections before making your subscription application. ●If the applicant and the insured (the person compensated by the insurance) are different, the matters described in this explanation must also be communicated to the insured. ●This explanation does not contain all of the contents related to your subscription. If anything is unclear, please contact the insurance agent/ operator, or the underwriting insurance company. ●If the party handling the subscription is an insurance agent or employee, they have the authority to conclude insurance policy contracts on behalf of the underwriting insurance company, and conduct business such as the concluding of insurance policy contracts, the receipt of insurance premiums, the issue of insurance premium receipts and the management of your policy. Therefore, a policy contract validly concluded with an insurance agent or employee is regarded as being the same as a policy contract concluded directly with the underwriting insurance company.
